ACCELERATE YOUR SALES CYCLE!

SchoolBondFinder

► SchoolBondFinder Benefits:

- Everything you need to know assembled in one convenient location saves hours of searching or missing relevant bonds.
 - Increased knowledge of watched, proposed, passed and failed bonds for more meaningful and timely discussions.
 - Query and filter by state, bond type, amount, and status. Pinpoint exactly what you need.
 - Find the right people faster. Each bond contains key contact information, along with a link to specific local coverage or articles.
 - Create proactive marketing materials and messaging.
-

► Beyond the Data, Train for Success

Navigating the funding process can be a challenge. Give your staff the personalized coaching they need to identify funding, and create relationships with the people who control it.

- Receive complimentary training and access to tutorials to hit the ground running
 - Obtain knowledge and tips from our funding expert led webinars
 - Our monthly newsletters update you on key industry trends and innovative functionalities
 - Use our market research reports to track funding cycles and passage rates nationwide
-

Efficient Market Intelligence

Our in-depth knowledge of K12 school districts throughout the U.S., backed by renowned funding experts and state of the art technology, puts accurate market information and lead generation at your fingertips. Filter on what is specific to your industry to find the most relevant information quickly and easily.

Proactive, Timely Updates

Choose your preferences and receive alerts on the latest bonds that pertain to your selected geography and area of interest. In a few clicks, you choose what alerts you want sent to you and how frequently you want to receive notifications.

Detailed Contact Information

Each bond contains key district employee contact information to get you to the right people faster. Conversations are more effective when the right people are identified and the key needs outlined.
